

Insurance companies elected a new Congress so they can boost profits and pay CEOs huge bonuses while middle class families struggle with jobs, health care costs and constant threats to Medicare, Medicaid and Social Security. It's time to stand up to big oil, big banks and big insurance! We need an economy and health care that works for the middle class, seniors and small businesses, not more tax breaks for CEOs and the wealthy.

Coventry Health Care - May 19th 8 AM EST

Ritz Carlton Hotel, Tyson's Corner, 1700 Tysons Blvd, McLean, VA
